Dear Sir / Madam

Name of Student _____

The above named person has been working with us for the last six weeks to prepare a celebration gang show on behalf of West Yorkshire Scouts. The show takes place over the evenings of Thursday Nov 26th, Friday Nov 27th and Saturday Nov 28th with a dress rehearsal on Wednesday Nov 25th. It is being staged at the Victoria Theatre in Halifax.

An event of this nature is hard work for those participating and I am therefore writing to ask you to take this into consideration when dealing with any requests for extended homework deadlines or other clashes of commitment which may arise. I would appreciate it if you could circulate this information to any teaching staff it may effect.

We are proud of the effort which these young people have put into this project. Please support us if you can.

Yours sincerely

Phil Pearson (Show Producer)
